

BULK STORAGE RIVET RACK

ASSEMBLY INSTRUCTIONS

READ BASIC RIVET RACK ASSEMBLY INSTRUCTIONS BEFORE ASSEMBLING

1. Construct Side Upright Frames - Install Side Double Rivet Beams to Angle Posts, at Top, Bottom and Middle locations. With Tee Posts for Middle Sections, install Side Beams on Both Sides of Tee Post
2. Install Front & Rear Double Rivet Beams to Side Upright Frames. Install Double Rivet Beams at Top & Bottom Locations ONLY
3. Install Center Support Ties (IF SUPPLIED) with Nuts & Bolts. Support Ties are required on 96" Beams and Optional on others. NOTE: Use only ONE (1) Support Tie per Level in the Center.
4. Drop Wood Decking into place, working from bottom to top.
